Dubai

Bachelor of Commerce - Double Major

Accounting and Finance

Accounting and Financial Management are present in every business, and in a highly competitive globalised economy, the demand for professionals in these disciplines is growing rapidly.

With a double major in Accounting and Finance, you will be prepared for employment in one of the most exciting and fast growing areas of business. You will learn how to manage and analyse a company's financial situation and to make decisions to maximise the company's return on investment and assets. In this course you will solve real world case studies to ensure that you graduate employment ready. This course also carries exemptions for many highly valued professional certifications.

Professional Recognition and Memberships

Graduates are recognised by, and are eligible for membership in the following professional bodies:

- The Chartered Financial Analyst Institute
- Australasian Institute of Banking and Finance
- Economic Society of Australia
- Financial Planning Association of Australia
- Institute of Chartered Accountants in England and Wales
- Association of Chartered Certified Accountants (max exemptions)
- Chartered Accountants Australia and New Zealand
- Chartered Institute of Management Accountants
- CPA Australia
