

Curtin University

Dubai

Bachelor of Interior Design

Learn to create spaces that people experience, remember, and connect with.

This course prepares students to shape interior spaces that are functional, meaningful, and aesthetically engaging.

You will explore how people experience built environments, learning to design residential, commercial, retail, hospitality, exhibition, and workspace interiors with a strong grounding in sustainability, materials, lighting, and spatial psychology.

This program blends practical studio work, digital design tools, and real-world project briefs to build your professional design portfolio.

CAREER OPPORTUNITIES

This course can help you become a/an

- Interior Designer
- Exhibition Designer
- Spatial Designer
- Design Consultant
- Retail or Hospitality Designer
- Furniture Designer

Industries you could work in

- Interior Design & Architecture
- Retail & Hospitality
- Real Estate & Development
- Events & Exhibition Design
