Requesting an Assessment Extension

NEW ONLINE APPLICATION FORM

Do you need to request an extension to an assessment, or defer an assessment or exam? Please read the important information in the online [Assessment Extension Application](#) form and have the following details ready before starting your submission:

- The unit and assessment you wish to request an extension for (your unit outline will contain details of the unit assessments).
- Supporting documentation.

For further information (including supporting documentation requirements) please read the Procedures section of the [Assessment and Student Progression Policies and Procedures Manual](#).
