Explanatory Notes

This is an International General Certificate of Secondary Education (IGCSE) and General Certificate of Education Ordinary Level (GCE O Level) Statement of Results. Cambridge Assessment International Education reserves the right to amend the information on this statement. Results will be confirmed by the issuer of a certificate.

IGCSE results are reported on an eight-point scale of grades: A*(a*), A(a), B(b), C(c), D(d), E(e), F(f) or G(g), grade A*(a*) being the highest and grade G(g) the lowest. UNGRADED indicates a student failed to reach the required grade G(g).

GCE O Level results are reported on a graded scale of grades: A*(a*), A(a), B(b), C(c), D(d) or E(e), grade A*(a*) being the highest and grade E(e) the lowest. UNGRADED indicates a student failed to reach the required grade E(e).

NO RESULT indicates that a result cannot be determined because of absence for the whole or part of the examination in the syllabus or because of a dispute over the award of a result for some other reason.

ENDORSED indicates that a result cannot be issued or passed but will follow in due course.

TO BE ISSUED indicates that a result will be awarded in the next series.

In some IGCSE and GCE O Level syllabuses (Science: (Speaking & Listening) communication is reported separately on a four-point numerical scale, grade 1(ONE) being the highest and grade 5(FIVE) the lowest. Candidates who fail to reach the minimum standard for grade 5(FIVE) will not receive an Overall (Speaking & Listening) communication endorsement.

The endorsement/ grade for Overall (Speaking & Listening) communication will be reported on certificates provided the overall IGCSE syllabus result is grade C(c) or higher and provided the overall GCE O Level result is grade E(e) or higher.

For English as a Second Language (IELT) the Cambridge is compulsory and is reported separately. For English as a Second Language (IELT) the Cambridge is compulsory and is reported separately.

The Percentage Uniform Mark for IGCSE and GCE O Level is provided in addition to the grade for a syllabus. The Percentage Uniform Mark is not the total mark achieved for the syllabus. It is a common scale for all syllabuses to show whether the candidate's performance is close to the bottom or middle of the grade. A Percentage Uniform Mark is not provided where the candidate's result is Ungraded, No Result, Pending or To Be Issued.

One grade A*(a*) to G(g) achieved in IGCSE syllabuses and grade A*(a*) to E(e) in GCE O Level syllabuses will be reported on the certificate.

Am I on Track for College?

Look for the green, yellow, or red symbols next to your section scores. They let you know if your scores are at or above the benchmark scores. Benchmarks show college readiness. If you see green, you're on track to be ready for college when you graduate.

If your score below the benchmark, you can use the feedback and tips in your report to get back on track.

How Do My Scores Compare?

A percentile shows how you scored, compared to other students. It's a number between 1 and 99 and represents the percentage of students whose scores are equal to or below yours.

For example, if your Math percentile is 57, that means 57% of test takers have Math scores equal to or below yours.

The **Nationally Representative Sample Percentile** compares your score to the scores of typical U.S. students.

SAT® User Percentile compares your score to the scores of students who typically take the test.

How Can I Improve?

To see which skills are your strongest and what you can do to boost your college readiness, go to your full report online and look for Skills Insight™.

What Are Score Ranges?

Test scores are single snapshots in time—if you took the SAT once a week for a month, your scores would vary. That's why score ranges are better representations of your true ability. They show how much your score can change with repeated testing, even if your skill level remains the same.

Colleges know this, and they get score ranges along with scores so they can consider scores in context.

Your online score report shows your score ranges.
